Dear Sir or Madam,

Breastfeeding is one of the easiest ways a new family can save money and improve health outcomes for babies. Through our support group, many moms are able to overcome challenges and achieve their breastfeeding goals. There are over 600 mothers in MOM of Columbia County, creating a large and loving community of mother-to-mother peer support.

We are holding our annual fundraiser and breastfeeding awareness event, The Big Global Latch On on August 3rd, 2019. People gather together to breastfeed and offer peer support to each other. Their friends, family and community join this celebration to promote and support breastfeeding.

Businesses and individuals are coming together to provide cash donations, gift certificates, products, merchandise, or sponsorship of the event. **Your support is key to our success.** YOU can make a difference and help promote, protect & support breastfeeding families right here in our community.

Thank you in advance for your support! Your donation is greatly appreciated and will directly benefit local families.

Sincerely,

MOM of Columbia County
